

### Soluble Concentrate

## Principal functioning agents:

DTPMP - diethylenetriamine penta (methylene phosphonic acid	) 26.0%
ATMP - aminotris (methylenephosphonic acid)	8.0%
Constituents Ineffective as Spray Adjuvants	66.0%
Total	100.0%

"THOROUGHLY READ THIS LABEL BEFORE USING THE PRODUCT"

Net Content: 1 gal (3.78 L)

Not for use on crops used for human or animal consumption.

Batch No: (to be stated in the packaging)

# **DANGER**

Causes serious eye damage. Causes skin irritation. May be corrosive to metals.

#### Manufactured by: RIZOBACTER ARGENTINA S.A.

1150 Dr. Arturo Frondizi Avenue -Industrial Park - Zip Code B2702AME -Pergamino - Buenos Aires - Argentina Phone: +54 2477 - 409400 - www.rizobacter.com

#### **PRECAUTIONARY STATEMENTS**

Wear eye protection and protective gloves. Wash hands thoroughly after handling. Keep only in original container. Absorb spillage to prevent material damage.

#### FIRST AID:

IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Immediately call a poison center/doctor.

IF ON SKIN: Wash with plenty of water. If skin irritation occurs: Get medical advice/attention. Take off contaminated clothing and wash it before reuse.

#### **GENERAL PRECAUTIONARY MEASURES:**

Avoid contact with skin while handling. Avoid contact with the eyes. Wear gloves, goggles and suitable protective clothing when applying the product. After handling, wash thoroughly all exposed body parts and clothing. Do not drink, eat or smoke during application tasks.

#### TREATMENT OF REMNANTS AND SPRAY MIXTURES:

Empty containers must be drained well and washed thoroughly. Spray the remnants of broths/mixtures and liquids from washing machines and receptacles that contained this product on uncultivated land, non-grazing stubble, or internal roads.

#### TREATMENT AND DESTRUCTION OF EMPTY CONTAINERS:

Follow instructions for Triple Wash of empty containers. Fill with water, place the lid and shake for 30 seconds. Repeat all steps at least two more times. Afterwards, pierce the empty container to render it unusable; deliver it to your nearest recycling center.

**STORAGE:** Store in original container, in cool, dry conditions and adequately ventilated premises. Avoid exposure to intense light and/or heat.

**SPILLS:** In case of spills, cover the spilled product with absorbent material (earth, sawdust, etc.), sweep carefully, collect it, and bury it in a spot where it cannot contaminate water sources. Then, if possible, wash the surface with water.

#### **RECOMMENDATIONS FOR USE:**

GENERAL: **RIZOSPRAY WATER CONDITIONER** is added to water that will be used to prepare spray mixtures. Its use allows for correction of pH and sequestration of cations, such as CALCIUM and MAGNESIUM, which are present in water.

#### **DIRECTIONS FOR USE:**

Add **RIZOSPRAY WATER CONDITIONER** to the water contained in the tank of the spraying equipment, BEFORE adding pesticide products.

**RECOMMENDED USE:** The amount used in 100 gal of water is related to the volume of water used in preparing the tank mix solution. Once the water has been corrected and the agitation is running, add the agrochemical to complete the tank mix solution preparation; conduct application immediately.

This product may not be used on any crop that is intended for human or animal consumption.

#### APPLICATION RATE:

If the local water hardness value, expressed in ppm of CaCO<sub>3</sub>, is known, the recommended rate is:

0 to 60 ppm: 1 oz/100gal 61 to 120 ppm: 2 oz/100gal 121 to 180 ppm: 3 oz/100gal

> 180 ppm: 4-12 oz/100gal \*

\*for >180 ppm follows as rule adding 1 oz/60 ppm/100 gal

**COMPATIBILITY:** If local information is not available, a jar test for compatibility should be conducted prior to large scale mixing.

PHYTOTOXICITY: RIZOSPRAY WATER CONDITIONER is not a phytotoxic product.

# TECHNICAL CONSULTATION NOTICE: "CONSULT YOUR AGRICULTURAL ENGINEER".

#### DISCLAIMER:

RIZOBACTER ARGENTINA S.A. manufactures this product according to strict quality control standards. RIZOBACTER ARGENTINA S.A. is solely responsible for the quality of the product within its expiration date. As its application and storage is carried out outside the control of RIZOBACTER ARGENTINA S.A., the company shall accept no liability for damages of any nature derived from any use other than that referred to in this label.
